Roca Rimless® Vortex

A bowl specially designed to optimise water flow, flush performance and hygiene.

This innovative design replaces the traditional toilet rim with a smooth edge, enabling water to create a powerful 360-degree swirling flow across the entire surface of the bowl. The result is exceptional cleaning performance with minimum water consumption.

Maximum Hygiene

An effective 360º whirlwind flush system with an enhanced water path to ensure complete coverage of every part of the bowl up to four times.

No Splashback

Water-saving dual-flush system with silent solution and reduced splashing effect for maximum hygiene and optimum performance.

Easy Cleaning

Interior bowl with no hidden nooks and crannies for dirt and germs to accumulate.

Extra Silent

A smoother and more efficient water outlet reduces turbulence and noise.
